

USER RESPONSIBILITIES

0914

(No.20 September 2006)

Users are expected to use IT resources in a responsible manner for CAL FIRE business.

Users should take appropriate precautions to ensure the security of their passwords and prevent others from obtaining access to their IT resources.

All users are expected to conduct themselves in a manner consistent with these responsibilities. Abuse of IT privileges may subject the user to disciplinary action as established by applicable CAL FIRE policies.

All members of the CAL FIRE community are bound by federal and state laws pertaining to civil rights, harassment, copyright, security and other statutes governing use of electronic media. This policy does not preclude enforcement under such laws.
