(No.14 March 2004)

PASSWORD STANDARDS

0931

(No.14 March 2004)

The Department of Finance, Technical Oversight & Security Unit (TOSU) oversees information technology procurement and security. Over a year ago TOSU required all state departments to implement mandatory, strict password standards. The CAL FIRE Director is required to annually certify to TOSU that these standards have been implemented and is in use.
