

WEARING OF THE UNIFORM

1502

(No. 34 Nov. 1994)

Each employee may decide how many garments to purchase and maintain; however, each employee is required to have the prescribed uniform items whenever reporting for duty. Any item purchased through private vendors must meet all criteria established in the following section.

An employee who is not required to wear the uniform (and, therefore, not eligible for a uniform replacement allowance) may purchase and wear the CDF uniform at his or her own option when so authorized in writing by his or her region or staff chief. Such an employee must comply with all rules and regulations applicable to the wearing of the CDF uniform. Volunteer workers must also meet this policy.
