The Department will also maintain a generic, no classification titled, shield badges for special issuance situations when uniform wear is authorized for a classification not listed above.

Shield badges are to be ordered by rank title (e.g., Captain, Firefighter or Firefighter II, Engineer, Pilot, etc.). All orders are to be submitted on a charge material requisition and transfer form (MRT). The cost of each shield badge is \$45.00.

Units are to submit their badge orders to their respective Region's management services logistics section. Regions will request badge stocks from Sacramento Headquarters Business Services.

Regions and units will be responsible for maintaining a tracking inventory system to record to whom each badge was issued. When badges are assigned to an employee, an "Advice of Items Loaned", form [CDF-79](#), will be prepared and signed by the issuing officer and the receiving employee.
