

ORGANIZATION

3020

(Sept. 1999)

Technical support functions are performed at two levels within the department: Sacramento level (Technical Services) and region level (Engineering and Construction).

Currently both levels of the organization function under the Department Incident Command System (DICS) in a special organization group known as the Capital Outlay Command (CAPCOM).

The Chief of Sacramento Technical Services is titled the CAPCOM Area Commander. In each Region the Technical Services Program Manager is titled the RCC/RSS Region Incident Commander. Refer to CAPCOM COMMAND Exhibit. [\(see exhibit\)](#)
