

ROLES AND RESPONSIBILITIES

3042

(Sept 1999)

The allocation of Capital Outlay funds and special repairs funds is made by the Chief of Technical Services. This includes the allocation of artisan blanket personnel years (PYs).

The Chief of Technical Services is responsible for managing the Capital Outlay and special repairs budgets and programs. The Deputy Chief of Technical Services in each region is responsible for these programs at the region level. Field input is solicited in the various stages of the progress of projects. Contacts with control agencies are handled by the Technical Services section.
