

## **UNDERGROUND AND ABOVEGROUND STORAGE TANKS**

**3230**

**(Sept 1999)**

All facilities that operate a state-owned underground storage tank(s) must comply with the California Underground Storage Tank Regulations and applicable local ordinances.

All administrative units should request assistance from the region engineer or staff assigned to coordinate this program. The coordinator can provide copies of the "California Underground Storage Tank Regulations" and local government agencies handle requests for applicable local ordinances.
