

INTRODUCTION

3310

(Sept. 1999)

This Chapter is intended to assist those who are involved in the lands process and contains detailed information and procedures for the acquisition, management, and disposal of lands and lands rights. Chapter sections include Site Selection, Acquisition Processes, Land Management, Leases, Disposal Procedures, and Water Rights. Copies of this chapter will be on file in the region offices and can be obtained upon request from the Technical Services section in Sacramento.
