(Sept 1999)

All land acquisition documentation must be finalized in Sacramento to be legal. Signature authority for all land documentation, on behalf of the State of California, is vested with the Department of General Services,(SAM §1353). The only signature authority held by CDF for land documents has been delegated to the Department by DGS. This authority is temporary and restricted to the acceptance and granting of minor right-of-ways and short term leases of no more than 3 years. The subject is covered in Section 3334.4. As all documents must be approved by DGS, their processing requirements must be followed.
