

**LOCAL AREA RESPONSIBILITY –  
WILDLAND AGREEMENTS RATE  
(April 2010)**

**3932**

**Effective: July 1, 2009**

The CAL FIRE Protection Cost-Per-Acre Wildland Agreements Rate is used to prepare new, or amend existing Local Response Area (LRA) Wildland Agreements.

The current or previous rates, are to be found on the CAL FIRE website at the following address:

Intranet web site: <http://cdfweb/Library/ScheduleAForms/LGPResourcesPage/>

Then choose “Rates” from the menu on the left.

The new base rate for FY 09-10 will be: \$5.74 per acre that will go toward General Fund Revenue plus \$13.45 that will go toward the Unit's Budget with a total of \$19.19 per acre. An Administrative Rate of 11.0% will be applied toward the sub-total of the number of acres multiplied by \$19.19. This rate should be used to prepare new, or amend existing wildland agreements with local agencies.
