

JAC IMPOUND ACCOUNT TRAINING GRANT REQUEST 4082

(No. 8 May 1999)

A grant process has been established for the distribution of J.A.C. funds to the CAL FIRE Academy, Regions and Units. The purpose is to benefit training needs and purchase materials and equipment only.

Eligible projects are those that will be used in direct relation to the CAL FIRE Joint apprenticeship Program (JAC). Priority will be given to projects which 1) include cost sharing or contributions in kind, 2) have applicability statewide, 3) have priority at the regional level.

Eligible projects would include, but are not limited to, those proposals that would enhance and/or support CAL FIRE's JAC training program with updated equipment, materials, or training technologies at either the local, regional, or statewide level.

Request for this funding is made through the training officer, the Unit Chief, and approved by the Region Chief. Each request must be submitted J.A.C. Training Grant Request. Multiple training requests by unit are encouraged.
