 SUBSTITUTE TRAINING: If an apprentice has satisfied a JAC training requirement within the last 5 years, he/she may be approved to replace the *required training* with a course from this "Substitute Training" list. The substituted training must be equal to or greater than the length of the *required training* course. When documenting a substituted course on the Monthly Training Report Form, the apprentice MUST enter the JAC Code for the *required training* (in other words the course he/she has already taken). In the "Course Name" column of the form, enter the course name of the substituted training. **Example:** If an apprentice has already attended Equal Employment Opportunity (JABC) and has been approved to substitute training, he/she will enter "JABC" in the JAC Code column and note in the "Course Name" column: Substituted with "*name of course*".
