

## **GRANTS**

(May 1988)

**5094**

The Director, with advice from other appropriate state agencies and interested parties, may make grants according to guidelines established by the Board of Forestry. Grants may be made to cities, counties, districts, and nonprofit organizations. Contributions required as a condition of grants made pursuant to this section may be made in the form of material, services, or equipment, as well as funds. Authorized assistance will include the following:

- Funding for development of urban tree plans which include coordination of local agency efforts and citizen involvement.
- Provision of seedling and tree stock.
- Funding and other assistance for demonstration projects in urban forestry, with special attention given to energy conservation and wood and fiber utilization projects.
- Other categories of projects recommended by the Director and approved by the board.
