

## STATUS

(May 1988)

5121

RFIP assists over 3,000 landowners annually. From 1980 to the present, the combined achievement in rural forest improvement is as follows:

|                                     |                     |
|-------------------------------------|---------------------|
| Acres planted                       | 28,425              |
| Landowners assisted                 | 16,000              |
| Ownership with new management plans | 724 (240,000 acres) |
| Forest improvement                  | 49,000 acres        |
| Wildlife and conservation practices | 419 projects        |
