

## DELEGATION OF RESPONSIBILITY

5441

(No. 3 June 1991)

The Director of CDF has delegated to the region chiefs the responsibilities for reviewing THPs and maintaining custody of official records. The region staff is expected to keep resource management staff at Sacramento headquarters apprised of any sensitive timber operation. The region office is the official repository for all correspondence, records, etc. associated with the review of THPs submitted to the director.

Regional review of THPs shall be conducted so that a reasonable statewide level of uniformity is maintained for the procedures.

The chart in the [THP Processing Procedure](#) outlines the procedure for processing THPs. The flow chart is only a generalization and is not intended to cover every situation.

Other exhibits referred to in the instructions concerning the processing of THPs illustrate the application of different requirements of the FPA and related regulations. The formats prescribed in the exhibits should be followed closely.
