## Responsibility

### **Camp Superintendent Division Chief**

Reimbursement of mileage costs of state-owned CYA vehicles assigned to an emergency incident will be allowed at the rates established by the Department of General Services.

If a CYA vehicle is provided with fuel by CDF on an emergency incident, the total claim for mileage must be reduced by 10 miles for each gallon of fuel provided. That information will be recorded on the individual FC-33C and the FC-77.
