

USE OF EXPLOSIVES

(No.21 May 2016)

6445

Responsibility

All

Explosives, blasting agents, blasting caps, or detonating primers shall not be stored on camp property or in vehicles that transport offenders. This prohibition shall include ANY incendiary launching device similar to that referenced in the CAL FIRE Memorandum issued on November 19, 2007 which specifically prohibited those devices on camp property or in camp vehicles. Explosives must be transported and handled by licensed personnel only.
