

## CHAPTER 6510 AGENCY RESPONSIBILITY (December 2015)

### **CAMP FACILITIES** (No.21 May 2016)

**6511**

#### **Responsibility**

**Camp Commander**

**Superintendent**

**Division Chief**

It is the responsibility of the Camp Commander/Superintendent and the Division Chief to maintain camp facilities and structures at the highest standards, consistent with budgeted funds, to protect the state's interest and investment. It will be the responsibility of the Camp Commander/Superintendent and the Camp Division Chief to develop a Camp infrastructure plan. This plan will list the infrastructure items in the camp that are to be repaired or replaced for at least the next three years. This plan will identify the agency responsible for the improvements and will be updated annually. This plan will identify all planned renovations, including Major Capital outlay, Minor Capital outlay, Special repairs, grants, or other funding sources, and items to be replaced or repaired using the existing camp budget.

Any repairs or improvements being considered to a facility will be coordinated with the cooperating agency, regardless of funding source. If there will be fiscal impact to the cooperating agency, approval of both agencies will be required.
