

# REPORTING CAL FIRE VEHICLE ACCIDENT OF DAI OFFENDER DRIVER

6553

(No.21 May 2016)

## Responsibility

### **CAL FIRE Staff**

When an event occurs which requires the filing of an accident report involving a vehicle or equipment operated by an offender, the immediate supervisor is responsible for preparation of the report. Information requested on form STD 270, Report of Vehicle Accident, will be furnished with the name of the offender as the driver and will stipulate whether the offender has had proper training and certification on operation of the equipment. This includes vehicles and equipment such as CCV's, sedans, utility vehicles, forklifts, and tractors. The STD 270 should be initialed by the Division Chief before submission to the CAL FIRE Unit Chief.
