

PAMPHLETS AND MANUALS

6703

(No. 138 February 2012)

The Director's office prints and distributes manuals and other information pertinent to mobile equipment operation.

The Mobile Equipment Maintenance Procedures Pamphlet 6805 outlines policies and responsibilities for CAL FIRE vehicle users and defines the maintenance systems for CAL FIRE equipment. The handbook will be carried in each CAL FIRE vehicle (including sedans) as a guide to and record of maintenance and repair.

The Vehicle Operation and Maintenance Guide Pamphlet, 6804, is provided for the operation of specialized equipment. Generally, this pamphlet is for fire engines but may be compiled for other equipment if adequate manufacturers' handbooks or guides are unavailable.
