

WARRANTY

6807

(No. 1 June 1989)

Warranty by the manufacturer on any apparatus purchased by the department begins at the time the apparatus is released from the Davis Equipment Facility. (For a full discussion, see [Fix-N-Fax No. 10](#), "Warranty in Service all Vehicles," Revised: December 1985). Ancillary equipment or components usually have different warranty coverage than the chassis and body. Typical items are fire pumps, ladder, fire hoses, etc.
