

LOCAL AGENCY EQUIPMENT

6809

(No. 1 June 1989)

Local government contract (Schedule A) equipment will be repaired utilizing the same management guidelines as CDF equipment and will be maintained in like condition.

The contracting unit pays a monthly maintenance rate to CDF, which then assumes cost of all operations, maintenance, and repair. The expressed apparatus must be listed on the current contract.

SCHEDULE C REPAIRS

6809.1

(No. 1 June 1989)

Repairs to local agency equipment (Schedule C) that is maintained by the owning agency and operated by CDF are controlled and funded at the local unit. The unit administrator has the responsibility to maintain the Schedule C equipment to the same standards and condition as CDF equipment. Also keep the appropriate records.

AMADOR PLAN

6809.2

(No. 1 June 1989)

CDF vehicles operated on behalf of the local agency during the nonemergency response period will be maintained to CDF standards and repaired per the monetary limits of the Material Management Procedures Handbook.
