

MODIFICATION APPROVAL REQUEST

6821

(No.130 September 2011)

An [Equipment Modification Request Worksheet](#) should be prepared with the assistance of the Unit Fleet Manager and include descriptive detail and drawings as necessary.

Include any changes in government agency (see below) regulations which affect operational requirements of CAL FIRE fleet vehicles:

- California Vehicle Code (CVC)
- Federal Motor Vehicle Safety Standards (FMVSS)
- Federal Motor Carrier Safety Administration (FMCSA)
- National Fire Protection Association (NFPA)
- Other recognized standards, regulatory bodies or agencies

When the request is based on federal or state regulations, it should be processed through the Sacramento Mobile Equipment Management office to ascertain fleetwide impact and ensure statewide application if necessary.

Upon complete review of the written request, the appropriate agency will approve or deny the request in writing and return it to the initiator. If denied, the reasons or a request for supplemental information will be included.
