

FIX-N-FAX #113

CALIFORNIA DEPARTMENT OF FORESTRY
AND FIRE PROTECTION

No. 113

Equipment Standard

Mandatory Compliance

Date: July 1970

Dozer Blade Marking for Transport

When transporting wide load dozers, either day or night, a strip six inches (6") wide should be sprayed on the outer front face of blade using a fluorescent red paint "Day Glo" or some similar type spray paint is available at most automotive supply or paint stores.
