

## **EMERGENCY INCIDENTS OTHER THAN FIRE**

**7715**

(No.70 November 2016)

The Board of Forestry and Fire Protection reaffirms the principles embodied in the California Emergency Services Act (GOV §8565-8574): In declared emergencies, the full resources of the State and its contractual agents shall be utilized, together with federal and local forces, to control the emergency and to mitigate the loss of life and property.
