

## **CONCURRENT ACTIVITIES**

**7782**

(No. 14 September 1996)

The Major Incident Management Review Team will not preempt or assume responsibility for the following activities, but will cooperate with the responsible personnel to the extent directed by the person activating the review team.

- Serious accident or injury investigations.
- Personnel or administrative investigations for the purpose of employee discipline.
- Litigation defense documentation. This does not curtail the use of information contained in the Incident Management Review Report for legal actions once the report has been adopted.
- Involvement in planning or formulating the strategy and tactics used in the management of the incident.
- Involvement in the management of the incident.
