

EMERGENCY INCIDENT INFORMATION AND INTELLIGENCE

7790

(No. 42 July 2008)

CAL FIRE employees at every level are part of the information and intelligence gathering and dissemination process that takes place daily. This section of policy deals with the responsibilities, methods, and timelines for gathering and disseminating information and intelligence for emergency incidents only. There are other policy sections (e.g. [Information Handbook 0600](#)) that deal with the non-emergency venues.
