

**PROCEDURE NO. 011A: Resource Ordering – Dept. of Fish and Game
(DFG) Personnel – Hazmat Response (8100)
(July 2010)**

Responsibilities and Action

ECC

1. Record the request for DFG notification in the resource ordering system of record, if appropriate.
2. Make contact with the Department of Fish and Game by local policy or:
 - a) DFG Oil Spill Prevention and Response (OSPR) 24-hour emergency incident dispatcher:

(916) 358-1300 (Norcom Sacramento.)

Provide the order and request number, the incident location, and the name of the IC or other on-incident contact person.
 - b) Process information received from DFG into the resource ordering system of record, if appropriate.
