

ECC AND OCC EQUIPMENT

8112

(April 2009)

ECC & OCC Equipment for the system includes radios, dispatch console systems, console furniture, telephones, logging recorders, facsimile machines, CAD computers, and other specialized equipment. Headquarters Fire Protection staff are responsible for procurement and replacement of standard ECC equipment complement items.

Unit Emergency Command Centers have E-911 Telephone systems, funded via the California 9-1-1 Emergency Communications Office within DGS-TD.
