

REGION INTERCOM USE

8153

March 2014

[\(See Policy 8042.1 Microwave System Primary Functions\)](#)

The purpose of the CAL FIRE Region Intercom is to provide common communication between the Region OCC, Unit ECC and air attack bases. The primary purpose of the intercom is aircraft dispatching. Use of the Region Intercom shall be limited to:

- Aircraft dispatching
- Aircraft status
- Initial dispatch of ground resources with adjacent Units per Policy 8133.3 - Initial Dispatch
- Request to use CDF Command Frequencies
- Region notifications
- Incident updates – Brief incident update for escalating incidents
- Region approved Multi Threat Zone Plans (i.e. SOLAR, PROS, etc.)
- Any other use requires Region approval

The Region Intercom shall not be used to confirm resource response/availability or for routine administrative communications.
