

## **HIRING INTERMITTENT-USE ("CALL WHEN NEEDED") AIRCRAFT (8300)**

(Revised September 2001)

When ordering intermittent-use aircraft, always give the aircraft operator the following information:

- CDF order number (ask them to write this on the invoice).
- Type of aircraft needed (Cessna 182, etc.).
- Type of mission - Reconnaissance
  - Personnel transportation
  - Cargo delivery (radios, maps, etc.)
  - Helitanker
  - Other (specify)
- Destination(s), desired ETA(s), passenger names.
- Special equipment needed (water bucket, service truck, etc.).
- Person to contact at destination radio frequency and telephone number, if required.
- Your name and telephone number.
- Billing address.

If you are unable to locate the aircraft you need, contact region ECC for assistance.
