

## **CALIFORNIA NATIONAL GUARD**

(No. 49 February 2005)

**8534**

The California National Guard (CNG) provides assistance-by-hire resources to CDF during fire emergencies. Through the CDF/CNG agreement that includes the U. S. Forest Service, BLM, NPS and OES, CNG provides equipment, services, and labor to support fire fighting operations. There is also a separate memorandum of understanding for use of the Modular Airborne Fire Fighting System (MAFFS) which is carried in Air National Guard C-130 airplanes.
