

ASSISTANCE-BY-HIRE AND CALIFORNIA FIRE ASSISTANCE AGREEMENT

8546

(No. 56 March 2006)

Contract county resources requested directly by CDF through local agreement with a neighboring CDF unit or through CDF Region Command Center for an out-of-county SRA wildfire incident will be considered as assistance-by-hire (ABH) requests. ABH requests to a contract county will be limited to those resources that are considered as wildfire applicable (Type I-IV engines, water tenders, bulldozers, helicopters and air tactical aircraft, overhead, specialized equipment). Reimbursement will be in accordance with provisions set forth in the CDF/Contract County Operating Plan.

Contract county resources requested for a SRA wildfire through the California Fire and Rescue Mutual Aid System are considered ordered as California Fire Assistance Agreement (CFAA) requests. CFAA requests to a contract county will be limited to those resources identified in the agreement (Type I-IV engines, water tenders, and overhead). Reimbursement will be in accordance with provisions set forth in the CFAA.
