

TRAINING

(No. 49 February 2005)

8547

CDF and County personnel will hold periodic training meetings for the purpose of acquainting agency personnel with the provisions of the contract county agreement, operating plan and the operational procedures of each agency.

CDF will provide, on a space available basis, opportunities in other formal training sessions or workshops for county personnel. At the request of the Counties, CDF will provide training classes on wildland fire fighting and command. Whenever practical, joint training sessions between CDF, Contract County personnel and other local cooperators are encouraged.
