

SUPPLEMENTAL INVESTIGATION REPORT – LE-71

9422

(No. 13 January 2011)

For those incidents that require additional investigation or documentation, the standard Supplemental Investigation Report (LE-71) shall be the only format utilized. All field notes shall be destroyed upon complete and accurate transfer of information to the electronic version. See the CAL FIRE “Case Report Writing Manual” for properly completing the LE-71 Supplemental Investigation Report.
